

OIBC

Open Iran Business Center is a platform created to build International & Iranian business relations and networks, in order to build economic opportunities in Iran. We aim to bridge the gap between international entrepreneurs and/or professionals and the Iranian businesses, industries & government.

The Open Iran Business Center has the ambition to grow as a knowledge center for International companies and business in Iran. This knowledge center is focused on International entrepreneurs and professionals who do business with Iranian companies in Iran or outside of Iran.

Therefore our vision is to bundle the strengths of International and Iranian entrepreneurs and professionals to increase economic opportunities and possibilities in Iran and global market with mutual respect for traditional cultures.
